2023 LETSAC CONFERENCE

Dear Company Representative:

The Law Enforcement Traffic Safety Advisory Council will host its Annual Conference **July 10 – 14, 2023** at the Lodge of Four Seasons in Lake Ozark, Missouri.

The 2022 Conference drew more than 250 participants from the law enforcement traffic safety industry throughout the state of Missouri. Attendees come from all areas of public safety including municipal, county, state, and federal agencies, prosecutors' offices, transportation fields, and traffic and patrol officers.

I wish to invite you to join us in what will surely be a worthwhile conference. The interactive participation of attendees in the exhibit area at our event will be a significant factor in the goals for the conference and we have developed several ways to ensure the visibility of exhibitors to attendees. This includes breaks, raffles, a networking reception, and door prize drawings also in the exhibitor area!

There are several opportunities for exhibitors and sponsorships available. For a complete listing of sponsorship types and benefits please see the enclosed sponsorship chart. The deadline for reserving your space as an exhibitor or sponsor is June 15, 2023 at the early bird rate. If you are a returning exhibitor from the 2022 Conference, you will receive separate information for a discounted rate for participation at the 2023 Conference!

We look forward to another successful conference and greatly appreciate our sponsors and exhibitors in helping to make it happen. To request further information, contact Captain Doug Wendel, dwendel61@cityoffestus.org. Please put "LETSAC Vendor Information" in the subject line.

Thank you for your consideration. We look forward to your representation at the conference!

Sincerely,

Doug Ruediger

SPONSORSHIP FACT SHEET

BACKGROUND

The Law Enforcement Traffic Safety Advisory Council (LETSAC) was founded in 1974 by the Missouri Department of Public Safety’s Division of Highway Safety to provide local law enforcement input to the division concerning statewide traffic safety problems and concerns. The organization maintains the function of providing recommendations, direction and guidance to the Missouri Division of Highway Safety in their efforts to implement standard 315 (Police Traffic Services) of the Highway Safety Act of 1966. The current LETSAC organizations assists the Highway Safety Division, the Missouri Department of Transportation, and the Department of Public Safety, as requested, in tasks associated with Highway Safety issues.

Membership is granted to every law enforcement agency in the State of Missouri. An annual conference is hosted each summer to provide traffic enforcement officers with continuing education in the field of law enforcement. The conference also allows for interaction between the officers and members in sharing technology, information, and ideas.

VALUE OF PARTNERSHIP

When you participate in the LETSAC annual conference as an exhibitor, your organization’s message will directly reach more than 250 individuals at the conference in the law enforcement traffic and highway safety industry, including chiefs of police, commanders, administrators, first-line supervisors, traffic officers and patrol officers. In turn, these individuals take back your marketing materials and products to others in the field, allowing for a large network of individuals who can potentially utilize your services. Becoming an exhibitor makes smart use of your marketing tools to touch many individuals in one location.

ANTICIPATED ATTENDANCE

- More than 250 attendees from every level of law enforcement
- Chief Executives, Managers, and Supervisors
- Municipal, county, state, and federal agency staff
- Traffic and Patrol officers
- Other exhibitors for networking

CONFERENCE STRUCTURE

Five days of activities including general sessions for all, breakout sessions for specific interest areas, networking activities, and other events for everyone who attends.

Visit the LETSAC website to learn more about the conference!

GIVEAWAYS & DOOR PRIZES

Some of the fun at the *LETSAC Conference* is being able to give away items to our participants throughout the conference. There are two ways your organization can help:

Giveaway & Prize Sponsorship

- Cost - \$200
- Money goes toward the big door prizes given at the end (previous years we have given away tablet computers, digital cameras, etc.!)

Giveaways & Prize Donation

- No cost – just provide us with door prizes to be given away during the breaks or bring your door prize to be given away at the banquet on Thursday!
- We have also been known to give away random door prizes during sessions!

EXHIBITOR ACTIVITIES

LETSAC has worked to make sure our Exhibitors are recognized throughout the conference for their wonderful support. In order to do this, we have established some specific activities that will bring conference attendees to your booths and make them aware of who you are!

Breaks will be held in the Exhibitor Area

Breaks will be longer to allow for more time with Exhibitors

Door prizes will be given away during the breaks in the Exhibitor Area

DOOR PRIZE GIVEAWAYS

We want you to get recognition! If you have some promotional items that you want to give away at the breaks, let us know, and we will make sure to get that on our list! We will connect you with our “Prize Liaison” to make sure they go to your booth to present the prizes!

EXHIBITOR EVALUATIONS & SUGGESTIONS

We could not hold this conference without you! It is important that we hear from you with suggestions to make the process more efficient and more successful for your interests. We want to hear your ideas and your comments about the conference, so we will be implementing an Exhibitor Evaluation this year just for you! This evaluation will provide you an opportunity to tell us what we did right, tell us what we need to improve, and comment on how we can make the next year’s conference even better!
